

Press release 2012-03-12

Christian Berner Invest partner to the Gothenburg Award for Sustainable Development

The Gothenburg Award for Sustainable Development is an international award that recognizes efforts to create sustainable development. The first ceremony was in 2000, at that time the name was Gothenburg International Environmental Award. In 2011 the award was given to Kofi Annan and the Tigray Project. Christian Berner Invest is a partner since January 2012 together with twelve other companies. Some of the other partners are Carl Bennet AB, 2:a AP-Fonden, SEB, Schenker och SKF. More information about the award can be found on www.gothenburgaward.com.

For further information please contact Håkan Simonsen, CEO of Christian Berner Invest AB, telephone +46 701 866 993.

Christian Berner Invest is a Nordic investment company founded in 1897. Currently the owners are members from the third and fourth generation of the Berner family. From the very beginning our goal has been to develop companies with ethical and financial responsibility so that they generate long-term returns. Total sales in the Group are some MSEK 600 and the Group has about 200 employees in the Nordic region, divided into four business lines:

- Trading in Christian Berner Tech Trade AB.
- Industry in Oy Lautex AB.
- Real Estate in Berner Fastighets AB.
- Other Investments in Christian Berner Nygatan AB and CB Industriutveckling AB.
